Form **W-4**

Department of the Treasury
Internal Revenue Service

Employee's Withholding Certificate

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay.
Give Form W-4 to your employer.
Your withholding is subject to review by the IRS.

OMB No. 1545-0074

2025

Step 1: Enter Personal Information

(a) First name and middle initial	Last name	(b) Social security number
Address		**Does your name match the name on your social security card?** If not, to ensure you get credit for your earnings, contact SSA at 800-772-1213 or go to *www.ssa.gov*.
City or town, state, and ZIP code		

(c) ☐ **Single** or **Married filing separately**
☐ **Married filing jointly** or **Qualifying surviving spouse**
☐ **Head of household** (Check only if you're unmarried and pay more than half the costs of keeping up a home for yourself and a qualifying individual.)

TIP: Consider using the estimator at *www.irs.gov/W4App* to determine the most accurate withholding for the rest of the year if: you are completing this form after the beginning of the year; expect to work only part of the year; or have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), dependents, other income (not from jobs), deductions, or credits. Have your most recent pay stub(s) from this year available when using the estimator. At the beginning of next year, use the estimator again to recheck your withholding.

Complete Steps 2–4 ONLY if they apply to you; otherwise, skip to Step 5. See page 2 for more information on each step, who can claim exemption from withholding, and when to use the estimator at *www.irs.gov/W4App*.

Step 2: Multiple Jobs or Spouse Works

Complete this step if you (1) hold more than one job at a time, or (2) are married filing jointly and your spouse also works. The correct amount of withholding depends on income earned from all of these jobs.

Do **only one** of the following.

(a) Use the estimator at *www.irs.gov/W4App* for the most accurate withholding for this step (and Steps 3–4). If you or your spouse have self-employment income, use this option; **or**

(b) Use the Multiple Jobs Worksheet on page 3 and enter the result in Step 4(c) below; **or**

(c) If there are only two jobs total, you may check this box. Do the same on Form W-4 for the other job. This option is generally more accurate than (b) if pay at the lower paying job is more than half of the pay at the higher paying job. Otherwise, (b) is more accurate . . . . . ☐

Complete Steps 3–4(b) on Form W-4 for only ONE of these jobs. Leave those steps blank for the other jobs. (Your withholding will be most accurate if you complete Steps 3–4(b) on the Form W-4 for the highest paying job.)

Step 3: Claim Dependent and Other Credits

If your total income will be $200,000 or less ($400,000 or less if married filing jointly):

Multiply the number of qualifying children under age 17 by $2,000 $ _____

Multiply the number of other dependents by $500 . . . . . $ _____

Add the amounts above for qualifying children and other dependents. You may add to this the amount of any other credits. Enter the total here . . . . . **3** $

Step 4 (optional): Other Adjustments

(a) Other income (not from jobs). If you want tax withheld for other income you expect this year that won't have withholding, enter the amount of other income here. This may include interest, dividends, and retirement income . . . . . **4(a)** $

(b) Deductions. If you expect to claim deductions other than the standard deduction and want to reduce your withholding, use the Deductions Worksheet on page 3 and enter the result here . . . . . **4(b)** $

(c) Extra withholding. Enter any additional tax you want withheld each **pay period** . . **4(c)** $

Step 5: Sign Here

Under penalties of perjury, I declare that this certificate, to the best of my knowledge and belief, is true, correct, and complete.

Employee's signature (This form is not valid unless you sign it.) **Date**

Employers Only

Employer's name and address	First date of employment	Employer identification number (EIN)

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future Developments

For the latest information about developments related to Form W-4, such as legislation enacted after it was published, go to *www.irs.gov/FormW4*.

Purpose of Form

Complete Form W-4 so that your employer can withhold the correct federal income tax from your pay. If too little is withheld, you will generally owe tax when you file your tax return and may owe a penalty. If too much is withheld, you will generally be due a refund. Complete a new Form W-4 when changes to your personal or financial situation would change the entries on the form. For more information on withholding and when you must furnish a new Form W-4, see Pub. 505, Tax Withholding and Estimated Tax.

Exemption from withholding. You may claim exemption from withholding for 2025 if you meet both of the following conditions: you had no federal income tax liability in 2024 **and** you expect to have no federal income tax liability in 2025. You had no federal income tax liability in 2024 if (1) your total tax on line 24 on your 2024 Form 1040 or 1040-SR is zero (or less than the sum of lines 27, 28, and 29), or (2) you were not required to file a return because your income was below the filing threshold for your correct filing status. If you claim exemption, you will have no income tax withheld from your paycheck and may owe taxes and penalties when you file your 2025 tax return. To claim exemption from withholding, certify that you meet both of the conditions above by writing "Exempt" on Form W-4 in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Do not complete any other steps. You will need to submit a new Form W-4 by February 17, 2026.

Your privacy. Steps 2(c) and 4(a) ask for information regarding income you received from sources other than the job associated with this Form W-4. If you have concerns with providing the information asked for in Step 2(c), you may choose Step 2(b) as an alternative; if you have concerns with providing the information asked for in Step 4(a), you may enter an additional amount you want withheld per pay period in Step 4(c) as an alternative.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Are submitting this form after the beginning of the year;

2. Expect to work only part of the year;

3. Have changes during the year in your marital status, number of jobs for you (and/or your spouse if married filing jointly), or number of dependents, or changes in your deductions or credits;

4. Receive dividends, capital gains, social security, bonuses, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or

5. Prefer the most accurate withholding for multiple job situations.

TIP: Have your most recent pay stub(s) from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you receive separate from the wages you receive as an employee. If you want to pay these taxes through withholding from your wages, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

Nonresident alien. If you're a nonresident alien, see Notice 1392, Supplemental Form W-4 Instructions for Nonresident Aliens, before completing this form.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you (1) have more than one job at the same time, or (2) are married filing jointly and you and your spouse both work. Submit a separate Form W-4 for each job.

Option **(a)** most accurately calculates the additional tax you need to have withheld, while option **(b)** does so with a little less accuracy.

Instead, if you (and your spouse) have a total of only two jobs, you may check the box in option **(c)**. The box must also be checked on the Form W-4 for the other job. If the box is checked, the standard deduction and tax brackets will be cut in half for each job to calculate withholding. This option is accurate for jobs with similar pay; otherwise, more tax than necessary may be withheld, and this extra amount will be larger the greater the difference in pay is between the two jobs.

Multiple jobs. *Complete Steps 3 through 4(b) on only one Form W-4. Withholding will be most accurate if you do this on the Form W-4 for the highest paying job.*

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. To do so, add an estimate of the amount for the year to your credits for dependents and enter the total amount in Step 3. Including these credits will increase your paycheck and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include income from any jobs or self-employment. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your paycheck, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 5, if you expect to claim deductions other than the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes both itemized deductions and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from your pay **each pay period**, including any amounts from the Multiple Jobs Worksheet, line 4. Entering an amount here will reduce your paycheck and will either increase your refund or reduce any amount of tax that you owe.

Step 2(b)—Multiple Jobs Worksheet *(Keep for your records.)*

If you choose the option in Step 2(b) on Form W-4, complete this worksheet (which calculates the total extra tax for all jobs) on **only ONE** Form W-4. Withholding will be most accurate if you complete the worksheet and enter the result on the Form W-4 for the highest paying job. To be accurate, submit a new Form W-4 for all other jobs if you have not updated your withholding since 2019.

Note: If more than one job has annual wages of more than $120,000 or there are more than three jobs, see Pub. 505 for additional tables; or, you can use the online withholding estimator at *www.irs.gov/W4App*.

1 **Two jobs.** If you have two jobs or you're married filing jointly and you and your spouse each have one job, find the amount from the appropriate table on page 4. Using the "Higher Paying Job" row and the "Lower Paying Job" column, find the value at the intersection of the two household salaries and enter that value on line 1. Then, **skip** to line 3 . . . . . 1 $

2 **Three jobs.** If you and/or your spouse have three jobs at the same time, complete lines 2a, 2b, and 2c below. Otherwise, skip to line 3.

a Find the amount from the appropriate table on page 4 using the annual wages from the highest paying job in the "Higher Paying Job" row and the annual wages for your next highest paying job in the "Lower Paying Job" column. Find the value at the intersection of the two household salaries and enter that value on line 2a . . . . . 2a $

b Add the annual wages of the two highest paying jobs from line 2a together and use the total as the wages in the "Higher Paying Job" row and use the annual wages for your third job in the "Lower Paying Job" column to find the amount from the appropriate table on page 4 and enter this amount on line 2b . . . . . 2b $

c Add the amounts from lines 2a and 2b and enter the result on line 2c . . . . . 2c $

3 Enter the number of pay periods per year for the highest paying job. For example, if that job pays weekly, enter 52; if it pays every other week, enter 26; if it pays monthly, enter 12, etc. 3

4 **Divide** the annual amount on line 1 or line 2c by the number of pay periods on line 3. Enter this amount here and in **Step 4(c)** of Form W-4 for the highest paying job (along with any other additional amount you want withheld) . . . . . 4 $

Step 4(b)—Deductions Worksheet *(Keep for your records.)*

1 Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to $10,000), and medical expenses in excess of 7.5% of your income . . . . . 1 $

2 Enter:
- $30,000 if you're married filing jointly or a qualifying surviving spouse
- $22,500 if you're head of household
- $15,000 if you're single or married filing separately

. . . . . 2 $

3 If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-" . . . . . 3 $

4 Enter an estimate of your student loan interest, deductible IRA contributions, and certain other adjustments (from Part II of Schedule 1 (Form 1040)). See Pub. 505 for more information . . . . 4 $

5 **Add** lines 3 and 4. Enter the result here and in **Step 4(b)** of Form W-4 . . . . . 5 $

Purpose: The *Employee's Withholding Allowance Certificate* (DE 4) is for **California Personal Income Tax (PIT)** withholding purposes only. The DE 4 is used to compute the amount of taxes to be withheld from your wages, by your employer, to accurately reflect your state tax withholding obligation.

Beginning January 1, 2020, *Employee's Withholding Allowance Certificate* (Form W-4) from the Internal Revenue Service (IRS) will be used for federal income tax withholding **only**. You must file the state form DE 4 to determine the appropriate California PIT withholding.

If you do not provide your employer with a DE 4, the employer must use Single with Zero withholding allowance.

Check Your Withholding: After your DE 4 takes effect, compare the state income tax withheld with your estimated total annual tax. For state withholding, use the worksheets on this form.

Exemption From Withholding: If you wish to claim exempt, complete the federal Form W-4 and the state DE 4. You may claim exempt from withholding California income tax if you meet both of the following conditions for exemption:

1. You did not owe any federal/state income tax last year, and
2. You do not expect to owe any federal/state income tax this year. The exemption is good for one year.

If you continue to qualify for the exempt filing status, a new DE 4 designating **exempt** must be submitted by February 15 each year to continue your exemption. If you are not having federal/state income tax withheld this year but expect to have a tax liability next year, you are required to give your employer a new DE 4 by December 1.

Member Service Civil Relief Act: Under this act, as provided by the Military Spouses Residency Relief Act and the Veterans Benefits and Transition Act of 2018, you may be exempt from California income tax withholding on your wages if

(i) Your spouse is a member of the armed forces present in California in compliance with military orders;

(ii) You are present in California solely to be with your spouse; and

(iii) You maintain your domicile in another state.

If you claim exemption under **this** act, **check the box on Line 4**. You may be required to provide proof of exemption upon request.

The *California Employer's Guide* (DE 44) (edd.ca.gov/pdf_pub_ctr/de44.pdf) provides the income tax withholding tables. This publication may be found by visiting Payroll Taxes - Forms and Publications (edd.ca.gov/Payroll_Taxes/Forms_and_Publications.htm). To assist you in calculating your tax liability, please visit the Franchise Tax Board (FTB) (ftb.ca.gov).

If you need information on your last *California Resident Income Tax Return* (FTB Form 540), visit the FTB (ftb.ca.gov).

Notification: The burden of proof rests with the employee to show the correct California income tax withholding. Pursuant to section 4340-1(e) of Title 22, California Code of Regulations (CCR) (govt.westlaw.com/calregs/Search/Index), the FTB or the EDD may, by special direction in writing, require an employer to submit a Form W-4 or DE 4 when such forms are necessary for the administration of the withholding tax programs.

Penalty: You may be fined $500 if you file, with no reasonable basis, a DE 4 that results in less tax being withheld than is properly allowable. In addition, criminal penalties apply for willfully supplying false or fraudulent information or failing to supply information requiring an increase in withholding. This is provided by section 13101 of the California Unemployment Insurance Code (leginfo.legislature.ca.gov/faces/codes.xhtml) and section 19176 of the Revenue and Taxation Code (leginfo.legislature.ca.gov/faces/codes.xhtml).

Worksheets

Instructions — 1 — Allowances*

When determining your withholding allowances, you must consider your personal situation:
- — Do you claim allowances for dependents or blindness?
- — Will you itemize your deductions?
- — Do you have more than one income coming into the household?

Two-Earners/Multiple Incomes: When earnings are derived from more than one source, under-withholding may occur. If you have a working spouse or more than one job, it is best to check the box "SINGLE or MARRIED (with two or more incomes)." Figure the total number of allowances you are entitled to claim on all jobs using only one DE 4 form. Claim allowances with **one** employer.

Do **not** claim the same allowances with more than one employer. Your withholding will usually be most accurate when all allowances are claimed on the DE 4 filed for the highest paying job and zero allowances are claimed for the others.

Married But Not Living With Your Spouse: You may check the "Head of Household" marital status box if you meet all of the following tests:
(1) Your spouse will not live with you **at any time** during the year;
(2) You will furnish over half of the cost of maintaining a home for the entire year for yourself and your child or stepchild who qualifies as your dependent; **and**
(3) You will file a separate return for the year.

Head of Household: To qualify, you must be unmarried or legally separated from your spouse and pay more than 50% of the costs of maintaining a home for the **entire** year for yourself and your dependent(s) or other qualifying individuals. Cost of maintaining the home includes such items as rent, property insurance, property taxes, mortgage interest, repairs, utilities, and cost of food. It does not include the individual's personal expenses or any amount which represents value of services performed by a member of the household of the taxpayer.

Worksheet A	**Regular Withholding Allowances**	
(A)	Allowance for yourself — enter 1	(A)
(B)	Allowance for your spouse (if not separately claimed by your spouse) — enter 1	(B)
(C)	Allowance for blindness — yourself — enter 1	(C)
(D)	Allowance for blindness — your spouse (if not separately claimed by your spouse) — enter 1	(D)
(E)	Allowance(s) for dependent(s) — do not include yourself or your spouse	(E)
(F)	Total — add lines (A) through (E) above and enter on line 1a of the DE 4	(F)

Instructions — 2 — (Optional) Additional Withholding Allowances

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances. Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim **one or more additional** withholding allowances. Use last year's FTB Form 540 as a model to calculate this year's withholding amounts.

Do not include deferred compensation, qualified pension payments, or flexible benefits, etc., that are deducted from your gross pay but are not taxed on this worksheet.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each $1,000, or fraction of $1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

Worksheet B **Estimated Deductions**

Use this worksheet **only** if you plan to itemize deductions, claim certain adjustments to income, or have a large amount of nonwage income not subject to withholding.

1.	Enter an estimate of your itemized deductions for California taxes for this tax year as listed in the schedules in the FTB Form 540		1.
2.	Enter $10,726 if married filing joint with two or more allowances, unmarried head of household, or qualifying widow(er) with dependent(s) or $5,363 if single or married filing separately, dual income married, or married with multiple employers	–	2.
3.	Subtract line 2 from line 1, enter difference	=	3.
4.	Enter an estimate of your adjustments to income (alimony payments, IRA deposits)	+	4.
5.	Add line 4 to line 3, enter sum	=	5.
6.	Enter an estimate of your nonwage income (dividends, interest income, alimony receipts)	–	6.
7.	If line 5 is greater than line 6 (if less, see below [go to line 9]); Subtract line 6 from line 5, enter difference	=	7.
8.	Divide the amount on line 7 by $1,000, round any fraction to the nearest whole number enter this number on line 1b of the DE 4. Complete Worksheet C, if needed, otherwise **stop here**.		8.
9.	If line 6 is greater than line 5; Enter amount from line 6 (nonwage income)		9.
10.	Enter amount from line 5 (deductions)		10.
11.	Subtract line 10 from line 9, enter difference. Then, complete Worksheet C.		11.

*Wages paid to registered domestic partners will be treated the same for state income tax purposes as wages paid to spouses for California PIT withholding and PIT wages. This law does not impact federal income tax law. A registered domestic partner means an individual partner in a domestic partner relationship within the meaning of section 297 of the Family Code. For more information, please call our Taxpayer Assistance Center at 1-888-745-3886.

Worksheet C **Additional Tax Withholding and Estimated Tax**

1.	Enter estimate of total wages for tax year 2024.	1.
2.	Enter estimate of nonwage income (line 6 of Worksheet B).	2.
3.	Add line 1 and line 2. Enter sum.	3.
4.	Enter itemized deductions or standard deduction (line 1 or 2 of Worksheet B, whichever is largest).	4.
5.	Enter adjustments to income (line 4 of Worksheet B).	5.
6.	Add line 4 and line 5. Enter sum.	6.
7.	Subtract line 6 from line 3. Enter difference.	7.
8.	Figure your tax liability for the amount on line 7 by using the 2024 tax rate schedules below.	8.
9.	Enter personal exemptions (line F of Worksheet A x $158.40).	9.
10.	Subtract line 9 from line 8. Enter difference.	10.
11.	Enter any tax credits. (See FTB Form 540).	11.
12.	Subtract line 11 from line 10. Enter difference. This is your total tax liability.	12.
13.	Calculate the tax withheld and estimated to be withheld during 2024. Contact your employer to request the amount that will be withheld on your wages based on the marital status and number of withholding allowances you will claim for 2024. Multiply the estimated amount to be withheld by the number of pay periods left in the year. Add the total to the amount already withheld for 2024.	13.
14.	Subtract line 13 from line 12. Enter difference. If this is less than zero, you do not need to have additional taxes withheld.	14.
15.	Divide line 14 by the number of pay periods remaining in the year. Enter this figure on line 2 of the DE 4.	15.

Note: Your employer is not required to withhold the additional amount requested on line 2 of your DE 4. If your employer does not agree to withhold the additional amount, you may increase your withholdings as much as possible by using the "single" status with "zero" allowances. If the amount withheld still results in an underpayment of state income taxes, you may need to file quarterly estimates on Form 540-ES with the FTB to avoid a penalty.

Statement Concerning Your Employment in a Job Not Covered by Social Security

Employee Name _____ **Employee ID#** _____

Employer Name **Yosemite Community College District** **Employer ID#** _____

Your earnings from this job are not covered under Social Security. When you retire, or if you become disabled, you may receive a pension based on earnings from this job. If you do, and you are also entitled to a benefit from Social Security based on either your own work or the work of your husband or wife, or former husband or wife, your pension may affect the amount of the Social Security benefit you receive. Your Medicare benefits, however, will not be affected. Under the Social Security law, there are two ways your Social Security benefit amount may be affected.

Windfall Elimination Provision

Under the Windfall Elimination Provision, your Social Security retirement or disability benefit is figured using a modified formula when you are also entitled to a pension from a job where you did not pay Social Security tax. As a result, you will receive a lower Social Security benefit than if you were not entitled to a pension from this job. For example, if you are age 62 in 2013, the maximum monthly reduction in your Social Security benefit as a result of this provision is $395.50. This amount is updated annually. This provision reduces, but does not totally eliminate, your Social Security benefit. For additional information, please refer to Social Security Publication, “Windfall Elimination Provision.”

Government Pension Offset Provision

Under the Government Pension Offset Provision, any Social Security spouse or widow(er) benefit to which you become entitled will be offset if you also receive a Federal, State or local government pension based on work where you did not pay Social Security tax. The offset reduces the amount of your Social Security spouse or widow(er) benefit by two-thirds of the amount of your pension.

For example, if you get a monthly pension of $600 based on earnings that are not covered under Social Security, two-thirds of that amount, $400, is used to offset your Social Security spouse or widow(er) benefit. If you are eligible for a $500 widow(er) benefit, you will receive $100 per month from Social Security ($500 - $400=$100). Even if your pension is high enough to totally offset your spouse or widow(er) Social Security benefit, you are still eligible for Medicare at age 65. For additional information, please refer to Social Security Publication, “Government Pension Offset.”

For More Information

Social Security publications and additional information, including information about exceptions to each provision, are available at www.socialsecurity.gov. You may also call toll free 1-800-772-1213, or for the deaf or hard of hearing call the TTY number 1-800-325-0778, or contact your local Social Security office.

I certify that I have received Form SSA-1945 that contains information about the possible effects of the Windfall Elimination Provision and the Government Pension Offset Provision on my potential future Social Security Benefits.

Information about Social Security Form SSA-1945 Statement Concerning Your Employment in a Job Not Covered by Social Security

New legislation [Section 419(c) of Public Law 108-203, the Social Security Protection Act of 2004] requires State and local government employers to provide a statement to employees hired January 1, 2005 or later in a job not covered under Social Security. The statement explains how a pension from that job could affect future Social Security benefits to which they may become entitled.

Form SSA-1945, **Statement Concerning Your Employment in a Job Not Covered by Social Security,** is the document that employers should use to meet the requirements of the law. The SSA-1945 explains the potential effects of two provisions in the Social Security law for workers who also receive a pension based on their work in a job not covered by Social Security. The Windfall Elimination Provision can affect the amount of a worker's Social Security retirement or disability benefit. The Government Pension Offset Provision can affect a Social Security benefit received as a spouse, surviving spouse, or an ex-spouse.

Employers must:

- Give the statement to the employee prior to the start of employment;
- Get the employee's signature on the form; and
- Submit a copy of the signed form to the pension paying agency.

Social Security will not be setting any additional guidelines for the use of this form.

Copies of the SSA-1945 are available online at the Social Security website, www.socialsecurity.gov/online/ssa-1945.pdf. Paper copies can be requested by email at ofsm.oswm.rqct.orders@ssa.gov or by fax at 410-965-2037. The request must include the name, complete address and telephone number of the employer. Forms will not be sent to a post office box. Also, if appropriate, include the name of the person to whom the forms are to be delivered. The forms are available in packages of 25. Parking Permits

As an employee or volunteer you are required to have a parking permit if you are parking on any college property. You can purchase a daily parking pass at any Day Pass Machine (DPM) available in most parking lots and park in Student Parking only, or you may purchase a semester (Adjunct) or annual (Faculty/Classified/Management) parking permit.

To purchase a parking permit your need to go to **mycampuspermit.com** at any time during a semester. Parking permits are distributed via the USPS to the address you provide and come in the form of a decal. Decals must be placed in the lower right corner of the front windshield; or you may also purchase a reusable clear mirror hanger for your decal, for $1.50, if you prefer that method.

What if I have a Handicap Placard/License Plate?

If you have a valid handicap placard/license plate you do not need to purchase a parking permit. Persons with a valid handicap placard, under Section 22511. 5 CVC, may park in designated disabled parking stalls, or staff or student parking stalls if no disabled stalls are available. You may not use areas that are not indicated as parking areas. If you have a short-term disability, you may apply for a short-term permit at a Health Services office which will allow you to park closer to your class.

Visitor Parking

The free visitor parking is available to guests of the YCCD. Visitor parking is for thirty (30) minutes only and the spaces are designated with a green curb. Beware, students, staff, and faculty with a valid parking permit will be ticketed if caught parking in these spaces.

Your CalSTRS retirement benefit—will it be enough?

On average, the CalSTRS retirement benefit replaces approximately 50% of a career educator's salary. Consider closing any gap between your target retirement income goal and your retirement benefit with savings and investments, such as CalSTRS Pension2 403(b), Roth 403(b), 457(b) and Roth 457(b) plans.

Invest sooner rather than later. That's the top recommendation from a poll of California educators aged 40 to 49 when asked what retirement advice they would give their younger colleagues. It's never too early to start investing in your future.

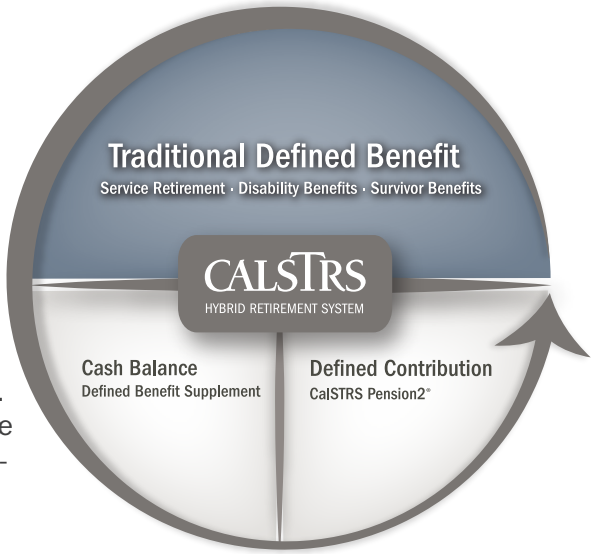
Your CalSTRS retirement at a glance

CalSTRS administers a hybrid retirement system consisting of traditional defined benefit, cash balance and voluntary defined contribution plans:

- **Traditional defined benefit plan:** Your CalSTRS retirement benefit is a defined benefit pension. It's based on the following formula, not on how much you contribute or how well CalSTRS investments perform:

  service credit × age factor × final compensation = your retirement benefit



- **Cash balance plan:** The CalSTRS Defined Benefit Supplement Program is a cash balance plan. A portion of your and your employer's contributions on earnings for service in excess of one year are credited to your Defined Benefit Supplement account. Your account earns guaranteed interest and, when the Teachers' Retirement Board declares, additional earnings credits. At retirement, you receive a benefit that is equal to your total account balance. The CalSTRS Cash Balance Benefit Program, an alternative to the Defined Benefit Program for part-time educators, is also a cash balance plan.

- **Defined contribution plan:** With CalSTRS Pension2, you can set aside additional savings for retirement. Select from a variety of investment plans, then contribute to your tax-advantaged account through paycheck deductions. The amount you have at retirement depends on your contributions, investment gains or losses, and account expenses.

Not sure which retirement plan you belong to?

Are you a full-time educator?	**You are already a member of the CalSTRS Defined Benefit Program.**
Do you work part time?	**You have a choice between the CalSTRS Defined Benefit Program or an alternative retirement plan, such as the CalSTRS Cash Balance Benefit Program, if offered by your employer.**

To learn more about mandatory membership in the Defined Benefit Program for certain part-time employees, and Cash Balance Benefit Program eligibility, see the *Member Handbook* at CalSTRS.com/publications.

CalSTRS Defined Benefit Program

If you're a full-time California public school preK–12 teacher, community college instructor or public school administrator, or are performing other service creditable to CalSTRS on a full-time basis, you're automatically a member of the Defined Benefit Program. If you're a part-time or substitute educator, you may choose to be a member of the Defined Benefit Program or an alternative program, such as the Cash Balance Benefit Program, if offered by your employer.

CalSTRS has two benefit structures:

- **CalSTRS 2% at 62:** Members first hired on or after January 1, 2013, to perform service that could be credited to the Defined Benefit Program and who never before performed service that could be credited to the Defined Benefit Program under a different retirement system, including Social Security.
- **CalSTRS 2% at 60:** Members first hired on or before December 31, 2012, to perform service that could be credited to the Defined Benefit Program, even if they were subject to coverage under a different retirement system, including Social Security.

The 2% refers to the percentage of your final compensation, also known as the age factor, you'll receive as a retirement benefit for every year of service credit if you retire at the indicated age.

The information in this booklet is for CalSTRS 2% at 62 members. If you're a CalSTRS 2% at 60 member, see the *Member Handbook* at CalSTRS.com/publications.

Your retirement benefit

When you have five years of service credit, you are entitled to a lifetime monthly benefit when you retire. Your CalSTRS monthly retirement benefit is a defined benefit pension calculated using a formula that provides a fixed percentage of your final compensation based on your age at retirement and your years of service:

service credit × age factor × final compensation = your retirement benefit

Service credit

Service credit is the number of years, including partial years, you have worked and contributed to CalSTRS.

- You earn service credit every day you perform creditable service or are on a paid leave of absence.
- You can earn up to one year of service credit in a school year.

If you earn more than one year of service in a school year, a portion of the contributions made by you and your employer on earnings from the additional service will be credited to your Defined Benefit Supplement account each fall after the school year.

Age factor

The age factor for normal retirement age at 62 is 2%. The age factor for early retirement at age 55 is 1.16%. The maximum age factor is 2.4% at age 65.

Final compensation

As a CalSTRS 2% at 62 member, your final compensation is calculated using your highest average annual compensation earnable for 36 consecutive months, up to the compensation cap. Learn more at **CalSTRS.com/limits**.

You can choose to provide a lifetime monthly benefit to someone after your death. If you choose an option beneficiary, your monthly retirement benefit will be reduced.

View the *Understanding the Formula* video at CalSTRS.com/videos.

Contributions to your CalSTRS retirement

CalSTRS pays retirement benefits using a combination of investment income and contributions.

Member contributions

As a CalSTRS 2% at 62 member, your contribution rate is connected with the normal cost of your retirement benefits. When changes in the normal cost meet certain thresholds defined by law, your contribution rate is adjusted. The normal cost is determined based on the actuarial valuation, the snapshot of CalSTRS' financial status presented to the Teachers' Retirement Board each spring.

Learn more about member contributions at CalSTRS.com/contributions.

Employer and state contributions

Your employer and the State of California also contribute to the Defined Benefit Program based on a percentage of your earnings. The amount is set each spring by the Teachers' Retirement Board.

In addition, the state contributes approximately 2.5% of member earnings each year to support inflation protection for retirees.

Eligibility to retire

As a CalSTRS 2% at 62 member, you can retire as early as age 55 with at least five years of service credit—or fewer years, if you retire under the special circumstances of concurrent retirement with one or more other eligible California public retirement systems. See the *Member Handbook* at **CalSTRS.com/publications** for more information.

Inflation protection

Your retirement benefit is protected against rising prices in two ways:

- Starting September 1 after the first anniversary of your retirement date, your benefit automatically increases each year by an amount equal to 2% of your initial benefit. The increase is not compounded or tied to changes in the cost of living.
- If inflation erodes the purchasing power of your retirement benefit, you'll receive an additional quarterly payment, subject to the availability of funds set aside for purchasing power protection. Currently, supplemental benefits protect 85% of the purchasing power of retirees' initial monthly benefits.

Your survivor and disability benefits

Depending on your years of service credit and if you die before or after retirement, your survivors may receive a one-time death benefit and a monthly benefit or a refund of the balance in your account.

The basic disability benefit is 50% of your final compensation earned. The maximum disability benefit you can receive, including benefits for eligible dependent children, is 90% of your final compensation earned.

View the *Survivor Benefits* and *Disability Benefits* videos at CalSTRS.com/videos.

Your Defined Benefit Supplement account

As a Defined Benefit Program member, you have a Defined Benefit Supplement account that provides additional savings for your retirement.

If you have earnings for service in excess of one year of service credit but below the compensation cap, contributions on those earnings will be credited to your Defined Benefit Supplement account. When you retire, you'll receive your CalSTRS retirement benefit and your Defined Benefit Supplement funds.

Excess contributions

The Defined Benefit Supplement member contribution rate, currently 9% for CalSTRS 2% at 62 members, is less than the contribution rate for compensation creditable to the Defined Benefit Program. If you earn compensation for service in excess of one year in a school year, contributions in excess of the 9% for this service will be returned to you by your employer.

CalSTRS will return any excess contributions to your employer in late September. Your employer is responsible for returning your excess member contributions to you, less any authorized adjustments or tax withholding. Any excess member contributions you made during the school year are reported on your *Retirement Progress Report*. Your *my*CalSTRS account shows a breakdown of excess contributions by employer. If you have questions regarding the return of your excess contributions, please contact your employer.

View the Defined Benefit Supplement Program videos at CalSTRS.com/videos for more information.

Important considerations

Social Security, CalSTRS and you

As a CalSTRS member, you do not contribute to Social Security, so you will not receive Social Security benefits for your CalSTRS-covered employment. **If you expect to receive a Social Security benefit through other employment or your spouse, two federal rules—the Windfall Elimination Provision and the Government Pension Offset—could leave you with a smaller benefit or no benefit at all.** Your CalSTRS retirement benefit will not be reduced by these offsets.

View the *Introduction to Social Security* video at CalSTRS.com/videos or see the fact sheet, *Social Security, CalSTRS and You*, at CalSTRS.com/publications to learn more.

Health insurance in retirement

CalSTRS does not provide health benefits. Your health benefits depend on your district's agreement with your employee bargaining unit. Ask your employer if you will have health benefits in retirement. Many retired educators have to contribute to or pay their own health insurance costs. **Consider setting aside extra money now for your future.**

You and your employer each pay 1.45% of your wages toward earning coverage under Medicare, the federal health insurance program for people age 65 and older.

Consider investing the 6.2% of your salary that would have gone to Social Security into a CalSTRS Pension2 tax-deferred 403(b) or 457(b) account for additional income in retirement.

What if you leave education?

You can keep your money with CalSTRS if you leave education, or you can request a refund. A refund includes the total balance of your own Defined Benefit Program contributions and interest, and a distribution of the total balance of your Defined Benefit Supplement account. You cannot withdraw employer contributions that were made to the Defined Benefit Program. Even if you think you may not return to public education, taking a refund may not make financial sense.

Benefits of leaving your contributions with CalSTRS:

- You'll keep your service credit.
- Your accounts will continue to accrue interest.
- You'll be eligible for a monthly retirement benefit when you're age 55 if you have at least five years of service credit—or under the special circumstances of concurrent retirement with one or more other eligible California public retirement systems.

Consequences of cashing out include:

- You'll no longer be a member of CalSTRS: You will give up all rights to your retirement benefit as well as survivor and disability benefits unless you return to CalSTRS-covered employment.
- Your refund may be subject to additional federal and state taxes if you take your refund before age 59½ and do not roll over your funds to a qualified retirement plan.
- If you take a refund, it's expensive if you return to public education and want to purchase, or redeposit, your service credit.

View the *Refund: Consider the Consequences* video at **CalSTRS.com/videos** or see the fact sheet at **CalSTRS.com/publications**.

Ways to increase service credit

The more service credit you have at retirement, the greater your CalSTRS benefit. You may purchase service credit for:

- Eligible service in out-of-state or foreign public schools, the military, Peace Corps or Job Corps; and eligible leave, including maternity, paternity, sabbatical, and leave approved under the federal Family and Medical Leave Act and the California Family Rights Act.
- Nonmember service for part-time or substitute work performed before you were a CalSTRS member.
- Redeposits of previously refunded contributions, plus interest, after returning to CalSTRS-covered employment.

It costs less to buy service credit earlier in your career than later.

View the *Purchasing Service Credit* video at CalSTRS.com/videos or see the fact sheet at CalSTRS.com/publications.

Transfer unused sick leave if you change districts

At service retirement, CalSTRS will convert your unused sick leave to additional service credit based on what's reported to us by your employers during the last year you earned creditable compensation. If you change employers during your career, be sure to coordinate with your former employer to arrange for the transfer of your accumulated unused sick leave to your new employer.

CalSTRS Cash Balance Benefit Program

For part-time educators

The Cash Balance Benefit Program is a retirement plan that employers may choose to offer their part-time educators as an alternative to participating in the Defined Benefit Program.

Your retirement benefit

When you become a Cash Balance Benefit Program participant, you qualify for a retirement benefit when you reach age 55 and are no longer performing creditable service.

Your retirement benefit is the amount of money in your Cash Balance Benefit account. If you have less than $3,500, you must take a lump-sum payment. If your account balance is $3,500 or more, you can choose to receive a lump sum or a monthly benefit over a specific period of time or over your lifetime and, if you elect to do so, the lifetime of your beneficiary. If you elect to receive your retirement benefit as a lump-sum payment, your benefit will be payable 180 calendar days after the date you terminated employment.

Your contributions

Your employer contributes at least 4% of your salary, and generally, you also contribute 4%. Alternative rates may be bargained; however, the combined employer and employee contribution must be at least 8%. In addition, the employee contribution rate cannot be less than the employer contribution rate starting with contracts entered into or changed on or after January 1, 2014.

Disability and death benefits

As a Cash Balance Benefit Program participant, you also have disability and death benefits. Visit **CalSTRS.com/cash-balance-benefit-program** to learn more.

What if you leave public education?

You have two options:

- Leave your contributions with CalSTRS where they will continue to accrue interest.
- Withdraw your funds or roll them over to another qualified retirement plan. If you choose to withdraw your funds, your benefit will be payable 180 calendar days following the date you terminated employment. If you later return to CalSTRS-covered employment, you will not be able to withdraw funds again for five years. You cannot redeposit any Cash Balance funds you withdraw.

As a part-time employee, you may have a choice of retirement plans. Your employer must offer the Defined Benefit Program and may offer an alternative program such as the Cash Balance Benefit Program.

Need to save more for your future?
CalSTRS Pension2 offers flexible, low-cost 403(b) and 457(b) plans.
See pages 14–15 to learn more.

Part-time educators

Choosing the Defined Benefit Program or an alternative plan

As a part-time employee, you may have a choice of retirement plans—the CalSTRS Defined Benefit Program or an alternative program such as the CalSTRS Cash Balance Benefit Program. Contact your employer to determine your plan eligibility.

In most cases, you can continue as a Cash Balance Benefit Program participant if you move to another school district that offers the program and you continue to work less than 50% of full time or on a temporary basis. If you become a member of the Defined Benefit Program and are no longer contributing to the Cash Balance Benefit Program, you may be eligible to transfer your Cash Balance Benefit funds into the Defined Benefit Program. You'll receive Defined Benefit service credit for your previous transferable Cash Balance Benefit service.

You may choose to become a Defined Benefit Program member at any time during your career.

Choose the plan that works best for you

Choose the CalSTRS Defined Benefit Program if you:

- Plan to work as a California educator long enough to become eligible for a CalSTRS retirement benefit (five years of service credit).
- Want a monthly benefit that is based on a percentage of your average full-time equivalent salary and any remuneration in addition to salary.
- Are comfortable contributing a percentage of your pay toward your retirement. Your contribution rate is 10.205% and is subject to change annually based on the normal cost of benefits.

See the *Cash Balance Benefit Program* publication and the *Considerations for Part-time Educators* fact sheet at CalSTRS.com/publications.

Choose the CalSTRS Cash Balance Benefit Program if you:

- Want a program that provides immediate vesting of your benefit, which includes your member contributions, your employer's contributions, guaranteed interest and any additional earnings credits.
- Want a lump-sum payment or lifetime monthly benefit based on the total balance credited to your account.
- Are comfortable with the contribution rate, which is typically 4% of your earnings. Your contribution and your employer's contribution must equal at least 8%. Employers must contribute at least 4%, and your contribution rate cannot be less than the employer contribution rate.

Questions to ask

If your employer offers an alternative program other than the Cash Balance Benefit Program, ask:

- Does the plan offer a monthly retirement benefit for life, or is it a non-lifetime benefit based on contributions and interest?
- What is the contribution rate? Is it matched by your employer?
- Is there a minimum requirement to be eligible for benefits?
- Does the plan charge administrative fees?
- Is there a guaranteed annual interest rate?
- Does the plan have a sound investment record?
- When does the plan permit distribution of your account?

Your Retirement Progress Report

Keep up on your CalSTRS account and service credit balances by reviewing your *Retirement Progress Report* each year.

Your report summarizes:

- The service credit you earned as of the end of the previous school year.
- Your total accumulated service credit.
- The name of your one-time death benefit recipient.
- Accumulated contributions and interest in your Defined Benefit, Defined Benefit Supplement or Cash Balance Benefit accounts.

A little now can really add up later

Let's say you contribute $100 every month to your account. If your account averages a 5% rate of return annually, after 20 years you could have $41,103. If you increase your monthly contribution to $300, your savings could grow to $123,310. An added benefit of tax-deferred contributions: Your $300 investment may reduce your paycheck by only $173.

This hypothetical illustration assumes a combined 37% state and federal tax rate. It's not meant to represent the performance of any investment product and should not be used to predict investment performance. Any taxes and expenses associated with an actual investment are not reflected. While taxes are paid when funds are withdrawn, investors are often in a lower tax bracket at retirement. CalSTRS Pension2 does not guarantee any rate of return on investments. Investing involves risk, including risk of loss of principal.

THE FACTS ABOUT WORKERS' COMPENSATION

Revised 2/01/2024 and effective for dates of injuries on or after 1/1/13.

Approved by the Division of Workers' Compensation

This pamphlet, or a similar one that has been approved by the Administrative Director, must be given to all newly hired employees in the State of California. Employers and claims administrators may use the content of this document and put their logos and additional information on it. The content of this pamphlet applies to all industrial injuries that occur on or after January 1, 2013.

WHAT IS WORKERS' COMPENSATION?

If you get hurt on the job, your employer is required by law to pay for workers' compensation benefits. You could get hurt by:

One event at work. Examples: hurting your back in a fall, getting burned by a chemical that splashes on your skin or getting hurt in a car accident while making deliveries.

OR

Repeated exposures at work. Examples: hurting your hand, back, or other part of your body from doing the same repeated motion or losing your hearing because of constant loud noise

OR

Workplace crime. Examples: you get hurt in a store robbery, physically attacked by an unhappy customer.

DISCRIMINATION IS ILLEGAL

It is illegal under Labor Code section 132a for your employer to punish or fire you because you:

- File a workers' compensation claim
- Intend to file a workers' compensation claim
- Settle a workers' compensation claim
- Testify or intend to testify for another injured worker.

If it is found that your employer discriminated against you, he or she may be ordered to return you to your job. Your employer may also be made to pay for lost wages, increased workers' compensation benefits, and costs and expenses set by state law.

WHAT ARE THE BENEFITS?

Medical care: Paid for by your employer to help you recover from an injury or illness caused by work. Doctor visits, hospital services, physical therapy, lab tests and x-rays are some of the medical services that may be provided. These services should be necessary to treat your injury. There are limits on some services such as physical and occupational therapy and chiropractic care.

Temporary Disability (TD) benefits: Payments if you lose wages because your injury prevents you from doing your usual job while recovering. The amount you may get is up to two- thirds of your wages. There are minimum and maximum payment limits set by state law. You will be paid every two weeks if you are eligible. For most injuries, payments may not exceed **104 weeks within five years from your date of injury**. Temporary Disability (TD) stops when you return to work, or when the doctor releases you for work, or says your injury has improved as much as it's going to.

Permanent Disability (PD) benefits: Payments if you don't recover completely. You will be paid every two weeks if you are eligible. There are minimum and maximum weekly payment rates established by state law. The amount of payment is based on:

- Your doctor's medical reports
- Your age
- Your occupation

Supplemental Job Displacement Benefits (SJDB): This is a voucher for up to $6,000 that you can use for retraining or skill enhancement at an approved school, books, tools, licenses or certification fees, or other resources to help you find a new job. You are eligible for this voucher if:

- You have a permanent disability.
- Your employer does not offer regular, modified, or alternative work, **within 60 days** after the claims administrator receives a doctor's report saying you have made a maximum medical recovery.

Return-to-Work Supplemental Program (RTWSP): For dates of injury after 1/1/2013, you may qualify for additional money from the Division of Workers' compensation program known as the Return-to-Work Supplement Program (RTWSP) if you received the Supplemental Job Displacement Voucher (SJDB). If you have questions or think you qualify, contact the Information & Assistance Unit by calling 1-800-736-7401 or visit website: https://www.dir.ca.gov/RTWSP/RTWSP.html

Death benefits: Payments to your spouse, children or other dependents if you die from a job injury or illness. The amount of payment is based on the number of dependents. The benefit is paid every two weeks at a rate of at least **$224 per week**. In addition, workers' compensation provides a burial allowance.

OTHER BENEFITS

You may file a claim with the Employment Development Department (EDD) to get state disability benefits when workers' compensation benefits are delayed, denied, or have ended. There are time restrictions so for more information contact the local office of EDD or go to their web site www.edd.ca.gov.

WORKERS' COMPENSATION FRAUD IS A CRIME

Any person who makes or causes to be made any knowingly false statement in order to obtain or deny workers' compensation benefits or payments is guilty of a felony. If convicted, the person will have to pay fines up to $150,000 and/or serve up to five years in jail.

WHAT SHOULD I DO IF I HAVE AN INJURY?

Report your injury to your employer: Tell your supervisor right away no matter how slight the injury may be. Don't delay – there are time limits. You could lose your right to benefits if your employer does not learn of your injury within 30 days. If your injury or illness is one that develops over time, report it as soon as you learn it was caused by your job. If you cannot report to the employer or don't hear from the claims administrator after you have reported your injury, contact the claims administrator yourself.

You may be able to find the name of your employer's workers' compensation insurer at www.caworkcompcoverage.com. If no coverage exists or coverage has expired, contact the Division of Labor Standards Enforcement at www.dir.ca.gov/DLSE as all employees must be covered by law.

Get emergency treatment if needed: If it's a medical emergency requiring an ambulance, fire department, or police; call 911. If an ambulance is not required go to an emergency room right away. For non-emergency medical care, contact your employer. When you arrive at the facility tell the medical provider who treats you that your injury is job-related. Your employer may tell you where to go for treatment.

Fill out DWC 1 claim form and give it to your employer: Your employer must give you a **DWC 1 claim form** within **one working day** after learning about your injury or illness. Complete the employee portion, sign and give it back to your employer. Your employer will then file your claim with the claims administrator. Your employer must authorize treatment within **one working day** of receiving the **DWC 1 claim form.** If the injury is from repeated exposures, you have **one year** from when you realized your injury was job related to file a claim.

In either case, you may receive up to **$10,000** in employer-paid medical care until your claim is either accepted or denied. The claims administrator has **up to 90 days** to decide whether to accept or deny your claim. Otherwise, your case is presumed payable. Your employer or the claims administrator will send you "benefit notices" that will advise you of the status of your claim.

MORE ABOUT MEDICAL CARE

What is a Primary Treating Physician (PTP)? This is the doctor with overall responsibility for treating your injury or illness. He or she may be:

- The doctor you name in writing before you get hurt on the job
- A doctor from the medical provider network (MPN)
- The doctor chosen by your employer during the first 30 days of injury if your employer does not have an MPN
- The doctor you chose after the first 30 days if your employer does not have a MPN

What is a Medical Provider Network (MPN)? A MPN is a select group of health care providers who treat injured workers. Check with your employer to see if they are using a MPN. If you have not named a doctor before you get hurt and your employer is using a MPN, you will see a MPN doctor. After your first visit, you are free to choose another doctor from the MPN list.

What is Predesignation? Predesignation is when you name your regular doctor to treat you if you get hurt on the job. The doctor must be a medical doctor (M.D.), doctor of osteopathic medicine (D.O.) or a medical group with an

M.D. or D.O. You must name your doctor in writing before you get hurt or become ill.

You may predesignate a doctor if you have health care coverage for non-work injuries and illnesses. The doctor must have:

- Treated you
- Maintained your medical history and records before your injury and
- Agreed to treat you for a work-related injury or illness before you get hurt or become ill

You may use the "predesignation of personal physician" form included with this pamphlet. After you fill in the form, be sure to give it to your employer. If your employer does not have an approved MPN, you may name your chiropractor or acupuncturist to treat you for work related injuries. The notice of personal chiropractor or acupuncturist must be in writing before you get hurt. You may use the form included in this pamphlet. After you fill in the form, be sure to give it to your employer.

With some exceptions, state law does not allow a chiropractor to continue as your treating physician after **24 visits**. Once you have received 24 chiropractic visits, if you still require medical treatment, you will have to select a new physician who is not a chiropractor. The term "chiropractic visit" means any chiropractic office visit, regardless of whether the services performed involve chiropractic manipulation or are limited to evaluation and management.

Exceptions to 24 visits include postsurgical physical medicine visits prescribed by the surgeon, or physician designated by the surgeon, under the postsurgical component of the Division of Workers' Compensation's Medical Treatment Utilization Schedule, or if your employer has authorized additional visits in writing.

WHAT IF THERE IS A PROBLEM?

If you have a concern, speak up. Talk to your employer or the claims administrator handling your claim and try to solve the problem. If this doesn't work, get help by trying the following:

Contact the Division of Workers' Compensation (DWC) Information and Assistance (I&A) Unit. All 24 DWC offices throughout the state provide information and assistance on rights, benefits and obligations under California's workers' compensation laws. I&A officers help resolve disputes without formal proceedings. Their goal is to get you full and timely benefits. Their services are free. To contact the nearest I&A Unit, go to https:// www.dir.ca.gov/dwc/ianda.html or call **1-800-736-7401**.

You have the right to consult with an attorney: Most attorneys offer one free consultation. If you decide to hire an attorney, his or her fees may be taken out of some of your benefits. For names of workers' compensation attorneys, call the State Bar of California at **1-415-538-2120** or go visit their website at www.californiaspecialist.org. You may also get a list of attorneys from your local I&A Unit by calling **1-800-736-7401**.

WARNING

Your employer may not pay workers' compensation benefits if you get hurt in a voluntary off-duty recreational, social or athletic activity that is not part of your work-related duties.

You may also have other rights under the Americans with Disabilities Act (ADA) or the California Fair Employment and Housing Act (FEHA). For additional information, contact California Civil Rights Department (CRD) at 1-800-884-1684 or the Equal Employment Opportunity Commission (EEOC) at 1-800-669-4000.

The information contained in this pamphlet conforms to the informational requirements found in Labor Code sections 3551 and 3553 and California Code of Regulation, Title 8, sections 9880 and 9883. This document is approved by the Division of Workers' Compensation administrative director.

Si se lesiona en el trabajo, su empleador está obligado por ley a pagarle beneficios de compensación de trabajadores. Podría resultar herido por:

- Tiene intención de presentar un reclamo de compensación de trabajadores
- Concilia un reclamo de compensación de trabajadores
- Testifica o tiene intención de testificar por otro trabajador lesionado

Si se determina que su empleador lo ha discriminado, puede ordenársele que lo reincorpore a su puesto de trabajo; su empleador también puede verse obligado a pagar los salarios perdidos, el aumento de los beneficios de compensación por accidentes laborales y los costos y gastos establecidos por la legislación estatal.

¿CUÁLES SON LOS BENEFICIOS?

Atención médica: pagada por su empleador para ayudarlo a recuperarse de una lesión o enfermedad causada por el trabajo. Las visitas al médico, los servicios hospitalarios, la fisioterapia, las pruebas de laboratorio y las radiografías son algunos de los servicios médicos que pueden prestarse; estos servicios deben ser necesarios para tratar su lesión. Existen límites para algunos servicios, como la fisioterapia, la terapia ocupacional y la quiropráctica.

Beneficios por discapacidad temporal (Temporary Disability, TD): pagos si pierde salario porque su lesión le impide realizar su trabajo habitual mientras se recupera. El monto que puede recibir es de hasta dos tercios de su salario. Existen límites mínimos y máximos de pago establecidos por la legislación estatal; se le pagará cada dos semanas si es elegible. Para la mayoría de las lesiones, los pagos no pueden superar las 104 semanas en un plazo de cinco años a partir de la fecha de la lesión. La discapacidad temporal (TD) finaliza cuando vuelve al trabajo, o cuando el médico le da el alta para trabajar o dice que su lesión ha mejorado todo lo que va a mejorar.

Beneficios por discapacidad permanente (Permanent Disability, PD): pagos si no se recupera del todo. se le pagará cada dos semanas si es elegible. Existen tasas de pago semanales mínimos y máximos establecidos por la legislación estatal; el monto del pago se basa en:

- Los informes médicos de su doctor.

- Su profesión.

Beneficio suplementario por el desplazamiento de trabajo (Supplemental Job Displacement Benefits, SJDB): se trata de un vale de hasta $6,000 que puede utilizar para volver a capacitarse o mejorar sus conocimientos en una escuela aprobada, para libros, herramientas, licencias o tarifas de certificación, u otros recursos que lo ayuden a encontrar un nuevo empleo; Es elegible a este vale si:

- Tiene una discapacidad permanente.
- Su empleador no le ofrece un trabajo regular, modificado o alternativo, **dentro de los 60 días** posteriores a que el administrador de reclamos reciba un informe médico que indique que usted ha logrado una recuperación médica máxima.

Programa Suplementario de Regreso al Trabajo (Return-to-Work Supplemental Program, RTWSP): para las fechas de lesión después del 1 de enero de 2013, usted puede calificar para dinero adicional del programa de la División de Compensación de Trabajadores conocido como el Programa Suplementario de Regreso al Trabajo (RTWSP) si usted recibió el vale de los Beneficios Suplementarios por el Desplazamiento de Trabajo (SJDB). Si tiene alguna pregunta o cree que reúne los requisitos, póngase en contacto con la Unidad de Información y Asistencia llamando al 1-800-736-7401 o visite el sitio web: https://www.dir.ca.gov/RTWSP/RTWSP.html

Beneficios por muerte: pagos a su cónyuge, hijos u otras personas a su cargo si fallece a causa de una lesión o enfermedad laboral. El monto del pago depende del número de personas a cargo. El beneficio se paga cada dos semanas a una tasa de, como mínimo, **$224 semanales;** además, la compensación de trabajadores prevé un subsidio de sepelio.

OTROS BENEFICIOS

Puede presentar un reclamo ante el Departamento de Desarrollo del Empleo (Employment Development Department, EDD) para obtener beneficios estatales por discapacidad cuando los beneficios de compensación de trabajadores se retrasen, denieguen o hayan finalizado. Hay restricciones de tiempo, así que para más información póngase en contacto con la oficina local del EDD o visite su sitio web: www.edd.ca.gov.

EL FRAUDE EN LA COMPENSACIÓN DE TRABAJADORES ES DELITO

Toda persona que realice o haga realizar cualquier declaración deliberadamente falsa con el fin de obtener o denegar beneficios o pagos de compensación de trabajadores es culpable de un delito grave; si es declarada culpable, la persona tendrá que pagar multas de hasta $150,000 o cumplir hasta cinco años de cárcel.

¿QUÉ DEBO HACER SI TENGO UNA LESIÓN?

Informe la lesión a su empleador: Informe inmediatamente a su supervisor, por leve que sea la lesión; no se demore, hay plazos. Puede perder el derecho a los beneficios si su empleador no se entera de su lesión en un plazo de 30 días. Si su lesión o enfermedad se desarrolla con el tiempo, notifíquelo en cuanto sepa que ha sido causada por su trabajo. Si no puede informar al empleador o no tiene noticias del administrador de reclamos después de haber informado sobre su lesión, comuníquese usted mismo con el administrador de reclamos.

Puede encontrar el nombre de la compañía de seguros de compensación de trabajadores de su empleador en www.caworkcompcoverage.com. Si no existe cobertura o ésta ha expirado, póngase en contacto con la División de Cumplimiento de las Normas Laborales en www.dir.ca.gov/DLSE ya que todos los empleados deben tener cobertura por ley.

Reciba tratamiento de urgencia si es necesario: Si se trata de una urgencia médica, acuda de inmediato a urgencias. Informe al proveedor médico que lo atiende de que su lesión está relacionada con el trabajo. Su empleador puede indicarle dónde acudir para recibir tratamiento.

Rellene el formulario de reclamos DWC 1 y entréguelo a su empleador: Su empleador debe entregarle un Formulario de reclamos DWC 1 en el plazo de un día hábil tras conocer su lesión o enfermedad. Rellene la parte correspondiente al empleado, fírmela y devuélvala a su empleador. A continuación, su empleador presentará el reclamo al administrador de reclamos. Su empleador debe autorizar el tratamiento en el plazo de un día hábil a partir de la recepción del **formulario de reclamos DWC 1**. Si la lesión se debe a exposiciones repetidas, dispone **de un año** desde el momento en que se dio cuenta de que su lesión estaba relacionada con el trabajo para presentar un reclamo.

En ambos casos, puede recibir hasta $10,000 en concepto de atención médica pagada por el empleador hasta que se acepte o deniegue su reclamo. El administrador de reclamos tiene hasta 90 días para decidir si acepta o rechaza su reclamo; de lo contrario, su caso se presume pagadero. Su empleador o el administrador de reclamos le enviarán "avisos de beneficios" que le informarán de la situación de su reclamo.

MÁS SOBRE LA ATENCIÓN MÉDICA

¿Qué es un médico tratante principal (Primary Treating Physician, PTP)? Es el médico responsable del tratamiento de su lesión o enfermedad. Él o ella pueden ser:

- El médico que nombra por escrito antes de lesionarse en el trabajo.
- Un médico de la red de proveedores médicos (Medical Provider Network, MPN).
- El médico elegido por su empleador durante los 30 primeros días de la lesión si su empleador no dispone de una MPN.
- El médico que haya elegido después de los primeros 30 días si su empleador no dispone de una MPN.

¿Qué es una red de proveedores médicos (MPN)? Una MPN es un grupo selecto de proveedores de atención médica que tratan a trabajadores lesionados. Consulte a su empresa si utiliza una MPN. Si no ha nombrado a un médico antes de lesionarse y su empleador utiliza una MPN, acudirá a un médico de la MPN; después de su primera visita, es libre de elegir otro médico de la lista de la MPN.

¿Qué es la designación previa? La designación previa es cuando nombra a su médico habitual para que lo trate si se lesiona en el trabajo. El médico debe ser doctor en medicina (Medical Doctor, MD), doctor en medicina osteopática (Doctor of Osteopathic Medicine, DO) o un grupo médico con un MD o DO. Debe nombrar a su médico por escrito antes de lesionarse o enfermarse; puede designar previamente a un médico si tiene cobertura de atención médica para lesiones y enfermedades no laborales. El médico debe:

- Haberlo tratado.
- Haber mantenido su historial y expedientes médicos antes de la lesión.
- Haber acordado tratarlo por una lesión o enfermedad relacionada con el trabajo antes de que se lesionara o enfermara.

Puede utilizar el formulario de "designación previa de médico personal" incluido en este folleto. Después de rellenar el formulario, no olvide entregárselo a su empleador; si su empleador no tiene una MPN aprobada, puede nombrar a su quiropráctico o acupunturista para que le trate las lesiones relacionadas con el trabajo. El aviso del quiropráctico o acupunturista personal debe hacerse por escrito antes de que se lesione. Puede utilizar el formulario incluido en este folleto; Después de rellenar el formulario, no olvide entregárselo a su empleador;

Con algunas excepciones, la ley estatal no permite que un quiropráctico siga siendo su médico tratante después de 24 consultas. Una vez que haya recibido 24 consultas quiroprácticas, si sigue necesitando tratamiento médico, tendrá que elegir un nuevo médico que no sea quiropráctico. Por "consulta quiropráctica" se entiende cualquier visita a un consultorio quiropráctico, independientemente de que los servicios prestados impliquen manipulación quiropráctica o se limiten a evaluación y gestión.

Las excepciones a las 24 consultas incluyen las consultas de medicina física posquirúrgicas prescritas por el cirujano, o el médico designado por el cirujano, en virtud del componente posquirúrgico del Programa de Utilización de Tratamientos Médicos de la División de Compensación por Accidentes Laborales, o si su empleador ha autorizado consultas adicionales por escrito.

RE: On the Job Injury Procedure

Here's how it works:

If an injury is not a medical emergency, the employee should report the injury to their supervisor and telephone COMPANY NURSE® at 1-855-770-4482. They will speak with a Registered Nurse who will assist the employee with his or her medical needs and expedite the claims processing. The nurse receiving the call will triage the injury as follows:

- Incident report only, no treatment needed – Employee returns to work
- Minor first aid-Nurse will give self-care advice – Employee returns to work, same or next shift
- Requires further medical care – Nurse refers employee to seek treatment at designated clinic/physician.
- Emergency – Call 911 – Seek emergency treatment immediately

The COMPANY NURSE® HOTLINE is available 24 hours per day, seven days per week.

- Company Nurse® will complete a report of injury and email it to the Benefits Office and corresponding areas.
- Company Nurse® will handle all initial reporting of employee incidents. It is important to report all incidents no matter how minor. This protects the employee's rights under worker's compensation and insures they receive appropriate medical care.

The advantage of a medical professional assisting in the reporting mechanism is to ensure that the injured employee received the best available treatment appropriate to the injury. Furthermore, employees will receive instant telephonic first aid advise from a Registered Nurse any time of the day or night.

Your cooperation and participation is appreciated. Please do not hesitate to contact Jennifer Carrigg (209) 575-6915 or Midory Cruz (209) 575-6964 in the Benefits Office with any questions.

Your Health Coverage Options & Covered California

The intent of this document is to provide general, not specific, information regarding the provisions of Affordable Care Act (ACA). It should not be construed as, nor is it intended to provide, legal or financial advice.

As a part of the Affordable Care Act (ACA) that was passed in 2010, employers are required to provide this notice to all employees regardless of whether or not they are eligible to participate in Employment-Based Health Plans.

Under the ACA, beginning January 1, 2014 individuals will be required to have minimum essential health coverage, or else be subject to a penalty. This is referred to as the "individual mandate." The Health Insurance Marketplace is intended to help individuals meet the individual mandate requirement by providing another place to purchase coverage, and possibly qualify for federal assistance to do so. Information and details are available at HealthCare.gov

In California, the Health Insurance Marketplace is called "Covered California." To assist you as you evaluate options for you and your family, this notice provides some basic information about Covered California and employment based health coverage offered by Yosemite Community College District, Employer Identification Number (EIN): 52-1566989.

Covered California is designed to help you find health insurance that meets your needs and fits your budget. Covered California offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. You are not required to purchase health coverage through Covered California, and may obtain health coverage from other sources.

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that does not meet certain standards. The savings on your premium that you are eligible for depends on your household income.

If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through Covered California and may wish to enroll in your employer's health plan, if you are eligible. (Just because you received this notice does not mean you are eligible for the Yosemite Community College District health plan.) However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing, if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If your cost for self-only coverage under the Yosemite Community College District health plan is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit. An employer-sponsored health plan meets the "minimum value standard" if the plan's share of the total allowed benefit costs covered by the plan is no less than 60 percent of such cost.

Note: If you purchase a health plan through Covered California instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution - as well as your employee contribution (if any) to employer-offered coverage - is often excluded from income for Federal and State income tax purposes. Your payments for coverage through Covered California are made on an after-tax basis.

For more information about coverage offered through Covered California please visit www.coveredca.com. Covered California can help you evaluate your coverage options, including your eligibility for coverage through Covered California and its cost. You will also be able to obtain an online application for health insurance coverage. If you decide to complete an application for coverage through Covered California, you will be asked to provide certain information about the health coverage offered by Yosemite Community College District. You can obtain this information by contacting the individual listed above.

For more information about coverage offered by Yosemite Community College District, please check your summary plan description or contact: yccdbenefits@yosemite.edu , 2201 Blue Gum Avenue Phone: (209)575-6981.
